5.5 **Possible Future Claims.** For the avoidance of doubt, Settlement Class Members expressly understand and acknowledge that they may hereafter discover claims presently unknown or unsuspected, or facts in addition to or different from those that they now know or believe to be true, related to the Released Claims, the Action and / or the Settlement Class Release. Nevertheless, it is the intention of Class Counsel and the Settlement Class Representative

in executing this Settlement Agreement to fully, finally, irrevocably and forever release, waive, discharge, relinquish, settle and acquit all such matters, and all claims relating thereto which exist, hereafter may exist or might have existed (whether or not previously or currently asserted in any action or proceeding) with respect to the Released Claims.

5.6 Covenant Not to Sue. Notwithstanding Section 5, for any Settlement Class Member resident in any province or territory where the release of one tortfeasor is a release of all other tortfeasors, the Releasing Parties do not release the Released Parties but instead irrevocably covenant not to sue the Released Parties, or any of them, including on a joint, several and / or solidary liability basis, and undertake not to make any claim in any way or to threaten, commence, participate in, or continue any proceeding in any jurisdiction against the Released Parties, or any of them for, in respect of, or in relation to the Released Claims, or any of them.

5.7 Actions or Proceedings Involving Released Claims. Settlement Class Members expressly agree that the Settlement Class Release, and the Approval Order, are, shall be and may be raised as a complete defence to, and shall preclude, any action or proceeding specified in, or involving claims encompassed by, this Settlement Class Release whether in Canada or elsewhere. Settlement Class Members shall not now or hereafter institute, maintain, prosecute, assert and / or cooperate in the institution, commencement, filing or prosecution of any suit, action and / or other proceeding, whether in Canada or elsewhere, against the Released Parties

with respect to the claims, causes of action and / or any other matters subject to the Settlement Class Release. To the extent that they have initiated, or caused to be initiated, any suit, action or proceeding not already encompassed by the Action, whether in Canada or elsewhere, Settlement Class Members shall cause such suit, action or proceeding to come to an end, including with prejudice where available, consistent with Section 12.1. If a Settlement Class Member commences, files, initiates or institutes any new legal action or other proceeding for any Released Claim against any Released Party in any federal, state, provincial or territorial court, arbitral tribunal, or administrative or other forum, whether in Canada or elsewhere, (a) such legal action or other proceeding shall, at that Settlement Class Member's cost, be brought to an end, including with prejudice where available, consistent with Section 12.1; and (b) the respective Released Party shall be entitled to recover any and all reasonable related costs and expenses from that Settlement Class Member arising as a result of that Settlement Class Member's breach of his, her or its obligations under this Settlement Class Release. Notwithstanding the foregoing, this Section does not apply to preclude the continuation of any suit, action or proceeding, whether in Canada or elsewhere, as to any claim that is not a Released Claim.

5.8 Ownership of Released Claims. The Settlement Class Representative represents and warrants that they are the sole and exclusive owners of any and all claims that they personally are releasing under this Settlement Agreement. The Settlement Class Representative further acknowledges

that, except as provided in Section 4.5.2, they have not assigned, pledged or in any manner whatsoever, sold, transferred, assigned or encumbered any right, title, interest or claim arising out of or in any way whatsoever pertaining to the Released Claims, including without limitation, any claim for benefits, proceeds or value under the Action, and that the Settlement Class Representative is not aware of anyone other than themselves claiming any interest, in whole or in part, in any benefits, proceeds or values to which they may be entitled as a result of the Released Claims. Settlement Class Members submitting a Claim shall represent and warrant therein that they are the sole and exclusive owner of all claims that they personally are releasing under the Settlement Agreement and that, except as provided in Section 4.5.2, they have not assigned, pledged or in any manner whatsoever, sold, transferred, assigned or encumbered any right, title, interest or claim in the Action arising out of or in any way whatsoever pertaining to the Released Claims, including without limitation, any claim for benefits, proceeds or value under the Action, and that such Settlement Class Members are not aware of anyone other than themselves claiming any interest, in whole or in part, in any benefits, proceeds or values to which those Settlement Class Members may be entitled as a result of the Released Claims.

5.9 Total Satisfaction of Released Claims. Any benefits pursuant to the Settlement Agreement are (a) in full, complete and total satisfaction of all of the Released Claims against the Released Parties, and (b) sufficient and adequate consideration for each and every term of the Settlement Class

Release. The Settlement Class Release shall be irrevocably binding upon the Settlement Class Representative and all Settlement Class Members.

5.10 Release Not Conditioned on Claim or Payment. The Settlement Class Release shall be effective with respect to all Releasing Parties, including all Settlement Class Members, regardless of whether those Settlement Class Members ultimately file a Claim or receive compensation under this Settlement Agreement.

5.11 Basis for Entering Release. Class Counsel acknowledge that they have conducted sufficient independent investigation and recommend the approval of this Settlement Agreement to the Court and that they execute this Settlement Agreement freely, voluntarily and without being pressured or influenced by, or relying on any statements, representations, promises or inducements made by the Released Parties or any person or entity representing the Released Parties, other than as set forth in this Settlement Agreement. The Settlement Class Representative agrees and specifically represents and warrants that they have discussed with Class Counsel the terms of this Settlement Agreement and have received legal advice with respect to the advisability of entering into this Settlement Agreement and the Settlement Class Release, and the legal effect of this Settlement Agreement and the Settlement Class Release. The representations and warranties made throughout the Settlement Agreement shall survive the execution of the Settlement Agreement and shall be binding upon the respective heirs, representatives, successors and assigns of the Parties.

5.12 **Material Term.** The Settlement Class Representative and Class Counsel hereby agree and acknowledge that this Section 5 was separately bargained for and constitutes a key, material term of the Settlement Agreement that shall be reflected in the Approval Order. The failure of the Court to approve this Settlement Agreement, the Settlement Class Release, the covenant not to sue in Section 5.6, and the dismissals and other terminations of proceedings involving Released Claims contemplated in Section 12.1, or if the Court approves any of them in a materially modified form from that contemplated herein, shall give rise to a right of termination by VW or the Settlement Class Representative, through Class Counsel, pursuant to Section 11.3.

5.13 **Reservation of Claims.** This Settlement Agreement shall resolve the claims of Settlement Class Members only as they relate to the Released Claims. The Parties reserve all rights to litigate liability and equitable relief of any sort for any subset of vehicles, purchasers, or lessees not expressly covered by this Settlement Agreement.

5.14 **No Admission of Liability.** The Settlement Class Representative, Class Counsel, the Settlement Class and the Releasing Parties agree, whether or not this Settlement Agreement is approved, terminated or otherwise fails to take effect for any reason, that this Settlement Agreement and anything contained herein, and any and all negotiations, documents, discussions and proceedings associated with this Settlement Agreement, and any action taken to carry out this Settlement Agreement, shall not be deemed,

construed or interpreted to be an admission of any violation of any statute or law, or of any wrongdoing or liability by any of the Released Parties, or of the truth of any of the claims or allegations contained in the Action or any other pleading filed against VW by, or on behalf of, the Settlement Class Representative, Settlement Class or any class that may be certified or authorized in the Action.

- 5.15 **Settlement Agreement Not Evidence.** The Settlement Class Representative, Class Counsel and the Settlement Class agree that, whether or not it is terminated, this Settlement Agreement and anything contained herein, and any and all negotiations, documents, discussions and proceedings associated with this Settlement Agreement, and any action taken to carry out this Settlement Agreement, shall not be referred to, offered as evidence or received in evidence in any present, pending or future civil, criminal or administrative action or proceeding, except in a proceeding to approve, implement and / or enforce this Settlement Agreement, or as otherwise required by law or as provided in this Settlement Agreement.

6. CLAIMS PROGRAM ADMINISTRATION

- 6.1 VW's obligation to implement the Claims Program in accordance with this Settlement Agreement is and shall be contingent upon each of the following:
- 6.1.1. Entry of the Approval Order;
 - 6.1.2. The occurrence of the Effective Date; and

6.1.3. The satisfaction of any other conditions set forth in this Settlement Agreement.

6.2 **Claims Program.** Subject to Section 6.1, the Claims Program shall begin as soon as reasonably practicable after the Effective Date. The Claims Program involves four steps, as further described in Schedule C. At Step 1, Settlement Class Members shall obtain information about the options available to them. At Step 2, once a Settlement Class Member is ready to submit a Claim, the Settlement Class Member shall, by the Claims Period Deadline, submit a Claim Form to the Claims Administrator, by mail or by courier, email, or through other channels identified at VW's discretion, that contains certain information about the Settlement Class Member's Eligible Vehicle along with required documentation. The Claim Form shall require a Claimant to sign, whether electronically or by hand, and declare that information and material submitted is true and correct based on knowledge and belief. At Step 3, the Settlement Class Member's eligibility or ineligibility to participate in the Claims Program shall be determined by the Claims Administrator, and an offer shall be made if the Settlement Class Member is deemed an Eligible Claimant. At Step 4, Eligible Claimants shall receive their benefits under the Settlement Agreement.

6.3 **Claims Administrator.** The Claims Administrator shall oversee the implementation and administration of the Claims Program, including verification and determination of Claim eligibility and approval of offers and payments to Eligible Claimants. The Claims Administrator's duties include,

but are not limited to: (a) administrating the Claims Program; (b) management of communications with Settlement Class Members regarding the Claims Program, (c) forwarding written inquiries to Class Counsel for a response, if warranted; (d) managing the meet and confer and appeals process as set out in Sections 2.40 and 2.42; (e) issuing and, where appropriate, reissuing payments on Claims to Eligible Claimants; and (f) monitoring the amounts of uncashed cheques paid to Eligible Claimants. The Claims Administrator shall have the authority to perform all actions, to the extent not expressly prohibited by, or otherwise inconsistent with, any provision of this Settlement Agreement, deemed by the Claims Administrator to be reasonably necessary for the efficient and timely administration of this Settlement Agreement. This shall include the authority to deny Claims that frustrate the spirit of the Settlement Agreement.

6.4 **Payment of Claims.** Payments of Claims made to Eligible Claimants may be made by cheque or, if offered by VW at its sole discretion and requested by an Eligible Claimant, electronic funds transfer.

6.5 **Reporting.** The Claims Administrator shall prepare periodic reports on the progress and status of the Claims Program that shall be provided to VW and Class Counsel. Unless otherwise reasonably requested by VW or Class Counsel, the Claims Administrator shall provide its first report one month after the commencement of the Claims Program, and every month thereafter for the next five (5) months, and every three (3) months thereafter. These reports shall include information sufficient to allow VW

and Class Counsel to assess the Claims Program's progress. When the Claims Program is concluded, the Claims Administrator shall also provide a report to VW and Class Counsel concerning any cheques for payment of Claims that remain uncashed.

- 6.6 No materials submitted by any Claimant shall be returned to such Claimant. The Claims Administrator shall be permitted to dispose of any materials submitted by a Claimant once it is determined that no appeal may be filed, the time limit for filing a dispute under Sections 2.40 and 2.42 have expired or any dispute has been resolved.
- 6.7 Any personal information acquired as the result of this Settlement Agreement shall be used solely for purposes of evaluating and paying Claims under this Settlement Agreement. All information relating to the Claims Program and processing is confidential and proprietary and shall not be disclosed, except as necessary to the Claims Administrator, VW, Class Counsel and the Court in accordance with the terms of this Settlement Agreement, and as required by legal process. The Claims Administrator shall take measures to prevent unauthorized access to personal information it obtains under this Settlement Agreement, as well as to prevent the loss, destruction, falsification, and leakage of such personal information. VW and the Claims Administrator shall respond immediately with appropriate measures when issues arise related to the confidentiality of a Settlement Class Member's information.

Such best efforts shall include taking all reasonable steps to secure entry of an Approval Order, as well as supporting the Settlement Agreement and the terms of this Settlement Agreement through an appeal.
- 7.4 The Parties and their successors, assigns and counsel undertake to implement the terms of this Settlement Agreement in good faith, and to use good faith in resolving any disputes that may arise in the implementation of the terms of this Settlement Agreement. Counsel for VW and Class Counsel shall, upon the request of the other, meet and confer by telephone to discuss the

implementation of this Settlement Agreement and to attempt to resolve any issues raised by the Parties, Settlement Class Members or Claims Administrator.

- 7.5 The Parties reserve the right, subject to the Court's approval, to agree to any reasonable extensions of time that might be necessary to carry out any of the provisions of this Settlement Agreement and/or time for deadlines and dates reflected in this Settlement Agreement.
- 7.6 In the event that the Parties are unable to reach agreement on the form or content of any document needed to implement the Settlement Agreement, or on any supplemental provisions that may become necessary to implement the terms of this Settlement Agreement, VW and Class Counsel may seek the assistance of the Court to resolve such matters.

- 9.6 Any potential Settlement Class Member who elects to opt out of the Settlement Class may not also object to the Settlement Agreement, subject to Section 9.5. 11.4 If an option to withdraw from and terminate this Settlement Agreement arises under Section 11.3 above, neither VW nor the Settlement Class Representative are required for any reason or under any circumstance to exercise that option and any exercise of that option shall be in good faith.

11.5 If, but only if, this Settlement Agreement is terminated pursuant to Section 11.3, then:

11.5.1. This Settlement Agreement, including the Settlement Class Release, shall be null and void and shall have no force or effect, and no Party to this Settlement Agreement shall be bound by any of its terms, except for the terms of Sections 3.3, 5.14, 5.15, 6.7, 11.5, 11.6, 11.7 and 13.3, and the definitions and any exhibits and schedules applicable thereto;

12.2 Court's Ongoing and Exclusive Jurisdiction. The Court shall retain ongoing and exclusive jurisdiction over the Action in order to resolve any dispute or other matters that may arise in the implementation of the Settlement Agreement (including any dispute regarding the validity, performance, interpretation, administration, enforcement, enforceability or termination of the Settlement Agreement or with respect to Counsel Fees) or their Approval Order. No Party shall oppose the reopening and reinstatement of the Action for the purposes of giving effect to this Section.

12.3 If one Party to this Settlement Agreement considers another Party to be in material breach of its obligations under this Settlement Agreement, that Party must provide the breaching Party with written notice of the alleged material breach and provide a reasonable opportunity to cure such breach before taking any action to enforce any rights under this Settlement Agreement.

12.4 In the event any one or more of the provisions contained in this Settlement Agreement shall for any reason be held to be invalid, illegal or unenforceable in any respect, such invalidity, illegality or unenforceability shall not affect any other provision if the Parties agree in writing to proceed as if such invalid, illegal or unenforceable provision had never been included in this Settlement Agreement. Any such agreement shall be reviewed and approved by the Court before it becomes effective.

Also, unless otherwise provided in this Settlement Agreement, in computing any period of time in this Settlement Agreement or by order of a Court, the day of the act or event shall not be included, and the last day of the period shall be included, unless it is a Saturday, a Sunday or a Canadian statutory holiday, or, when the act to be done is a court filing, a day on which the court is closed, in which case the period shall run until the end of the next day that is not one of the aforementioned days.
- 13.5 The Parties agree that confidential information made available to them solely through the settlement process was made available on the condition that it

not be disclosed to third-parties (other than as provided by any Non-Disclosure Agreements). Any materials inadvertently produced shall, upon VW's request, be promptly returned to VW's counsel, and there shall be no implied or express waiver of any privileges, rights and defences.

13.6 This Settlement Agreement sets forth the entire agreement among the Parties with respect to its subject matter. Any agreement purporting to change or modify the terms of this Settlement Agreement must be executed by VW and Class Counsel. The Parties expressly acknowledge that no other agreements, arrangements or understandings not expressed in this Settlement Agreement exist among or between them, and that in deciding to enter into this Settlement Agreement, they have relied solely upon their own judgment and knowledge. This Settlement Agreement supersedes any prior proposals, negotiations, agreements, understandings, or undertakings (written or oral) by and between the Parties regarding the subject matter of this Settlement Agreement.
